Food for Thought

Bermuda Easter lillies

The island of Bermuda was once known as "The Easter Isle" due to the local farmers planting their famous crop in time for an Easter bloom each year. It is traditional every year for the people of Bermuda to send a bouquet of Easter Lillies to the Queen who reportedly delights in the tradition.

From **April 24th** – the Club will be fully operational in all areas.

Our Members have been treated to lunchtime shows from the **Humpback Whales** passing along the South Shore so be sure to join us for lunch and ask Kyle to point them out!
