

Tucker's Point Junior Golf Program 2014-15

Winter Term

The following clinics will run for **15 weeks**, from September 3rd through December 21st. Please fill in the appropriate details and selections at the bottom of this form.

Active Start (ages 3 - 5 yrs)

The Active Start Program is the first of three programs that aim to develop your child's Fundamental Movement Skills (FMS). Currently in the golfing world there is too much emphasis on 'sport specific' junior coaching without any attention given to developing the tools needed to actually play golf, or any other sport. This program aims to develop tools and foundations through fun and structured games and activities such as: throwing, catching, hitting (balls), kicking etc. Giving them a head start in EVERY sport in the future. Max 6 Children.

Rain Policy: Two rain weeks are built into the price (paying for 13 weeks instead of 15) of the clinics. Anything missed after two weeks will result in a credit.

Tucker's Point Junior Golf Program 2014-15

Winter Term

The following clinics will run for **15 weeks**, from September 3rd through December 21st.

Fairway Friends (ages 5 - 8 yrs)

The Fairway Friends program is the next step from the Active Start Program. The main focus is still based on developing complex Fundamental Movement Skills (stability, object control and awareness skills etc.). More structured activities, golf specific movements and physical fitness are all introduced in this program. Max 7 Children. **Clinics are 90 mins.**

Green Graduates (ages 8 -12 yrs)

The Green Graduates program is the third and final program developing your child's Fundamental Movement Skills (FMS). In addition to FMS, this program introduces Fundamental Sports Skills (FSS). FSS is important as all skills are transferable. For example: baseball develops hand eye coordination and the upper body, lower body dissociation, while sports like tennis and ping pong teach timing of wrist release. This program differs from the previous two as it aims to MASTER the FMS and develop the FSS while also introducing golf specific skills and fitness into the mix. Max 7 Children. **Clinics are 90 mins.**

Masters Academy (ages 12 -15 yrs)

The Masters Academy is the next step in the Junior Golf Program and is designed to be focused on developing your child's Golf Skills with some emphasis on their physical development. Max 4 children. **Clinics are 1 Hour**

Rain Policy: Two rain weeks are built into the price (paying for 13 weeks instead of 15) of the clinics. Anything missed after two weeks will result in a credit. **IN THE ABSENCE OF JACK BRIDGES, PAUL ADAMS WILL RUN THE CLINICS.**

Prices

Fairway Friends: Members- \$520..... Guests- \$650..... Full Year- \$1,200 (Members Only)
